16 to 1.  
I've had a dream that troubles me;  
I can't let it go straight;  
I dreamed I went to heaven, an'  
Wuz knockin' at the gate—  
When ole St. Peter sez, "Who's that?"  
For I can't let ye in,  
Until I know jes' who ye air,  
An' I 'zactly wuz ye've bin."

I sez, "A honest, upright life  
Is what I tried to lead;  
I paid my debts, I jined the Church  
An' studied well its creed."  
I sez, "Nebraska's where I live—  
Ye know, that's Bryan's state—  
An' wuz a Silver Demmykrat,  
I'm happy to relate."

St. Peter frowned an' scratched his  
chin,  
Then slowly turned his face,  
An' to some one inside he said,  
"That complicates his case."  
He turned agin, my face to scan,  
An' said as he drew near,  
"I can't see why a Demmykrat  
Should want to come up here."

"The streets, an' crowns, an' harps, an'  
things,  
As ye hev oft bin told,  
Air uv the single-standard type  
Uv gold—uv purest gold."  
Jes' then the gate swung open fer  
A throng all free from sin,  
An' minglin' with 'em as they passed,  
I, too, wuz counted in.

I looked with wonderment, an' saw  
The host assembled there—  
A multitude with crowns uv gold,  
An' some whose heads wuz bare.  
I sez, "St. Peter, I've no crown!"  
He sez, "I can't help that."  
I sez, "I can't beheaded go!"  
He sez, "then wear yer hat."

"Republicans git crowns uv gold,  
But Demmykrats git none;  
An' the crowned air in the ratio uv  
About 16 to 1."

The ratio uv the crowned up there  
Shows what the vote would be  
If taken on bimetal streets—  
An' thet's what troubles me.

The Commissioner of Internal Re-  
venue has issued a circular prohibiting

cigarettes or tobacco, when put up in  
statutory packages, of labels containing  
"any promise or offer of, or any order or  
certificate for, any gift, prize, premium  
payment or reward." This regulation is  
to take effect September 1, 1900. The  
order of Commissioner Wilson will not  
prevent manufacturers from sending  
prize coupons to retailers for dissemi-  
nation among the purchasers of their  
goods, but is designed to prohibit the  
use of the statutory package as a dis-  
tributor of gift enterprises.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right  
but you want something that will relieve and  
cure the more severe and dangerous results of  
throat and lung troubles. What shall you do  
go to a warmer and more regular climate? Yes,  
if possible; if not possible for you, then in either  
case take the only remedy that has been intro-  
duced in all civilized countries with success in se-  
vere throat and lung troubles, "Bochee's Ger-  
man Syrup." It not only heals and stimulates the  
tissues to destroy the germ disease, but always in-  
flammation, causes easy expectoration, gives a  
good night's rest, and cures the patient. Try one  
bottle. Recommended many years by all druggists  
in the world. For sale by J. C. Pecor.
